

THE YEAR IN REVIEW

2017 - 2018

Enhancing the health and wellbeing of the community through effective partnerships and collaborations

STRATEGIC INTENT

A community that keeps itself well and healthy

A client who has a seamless journey

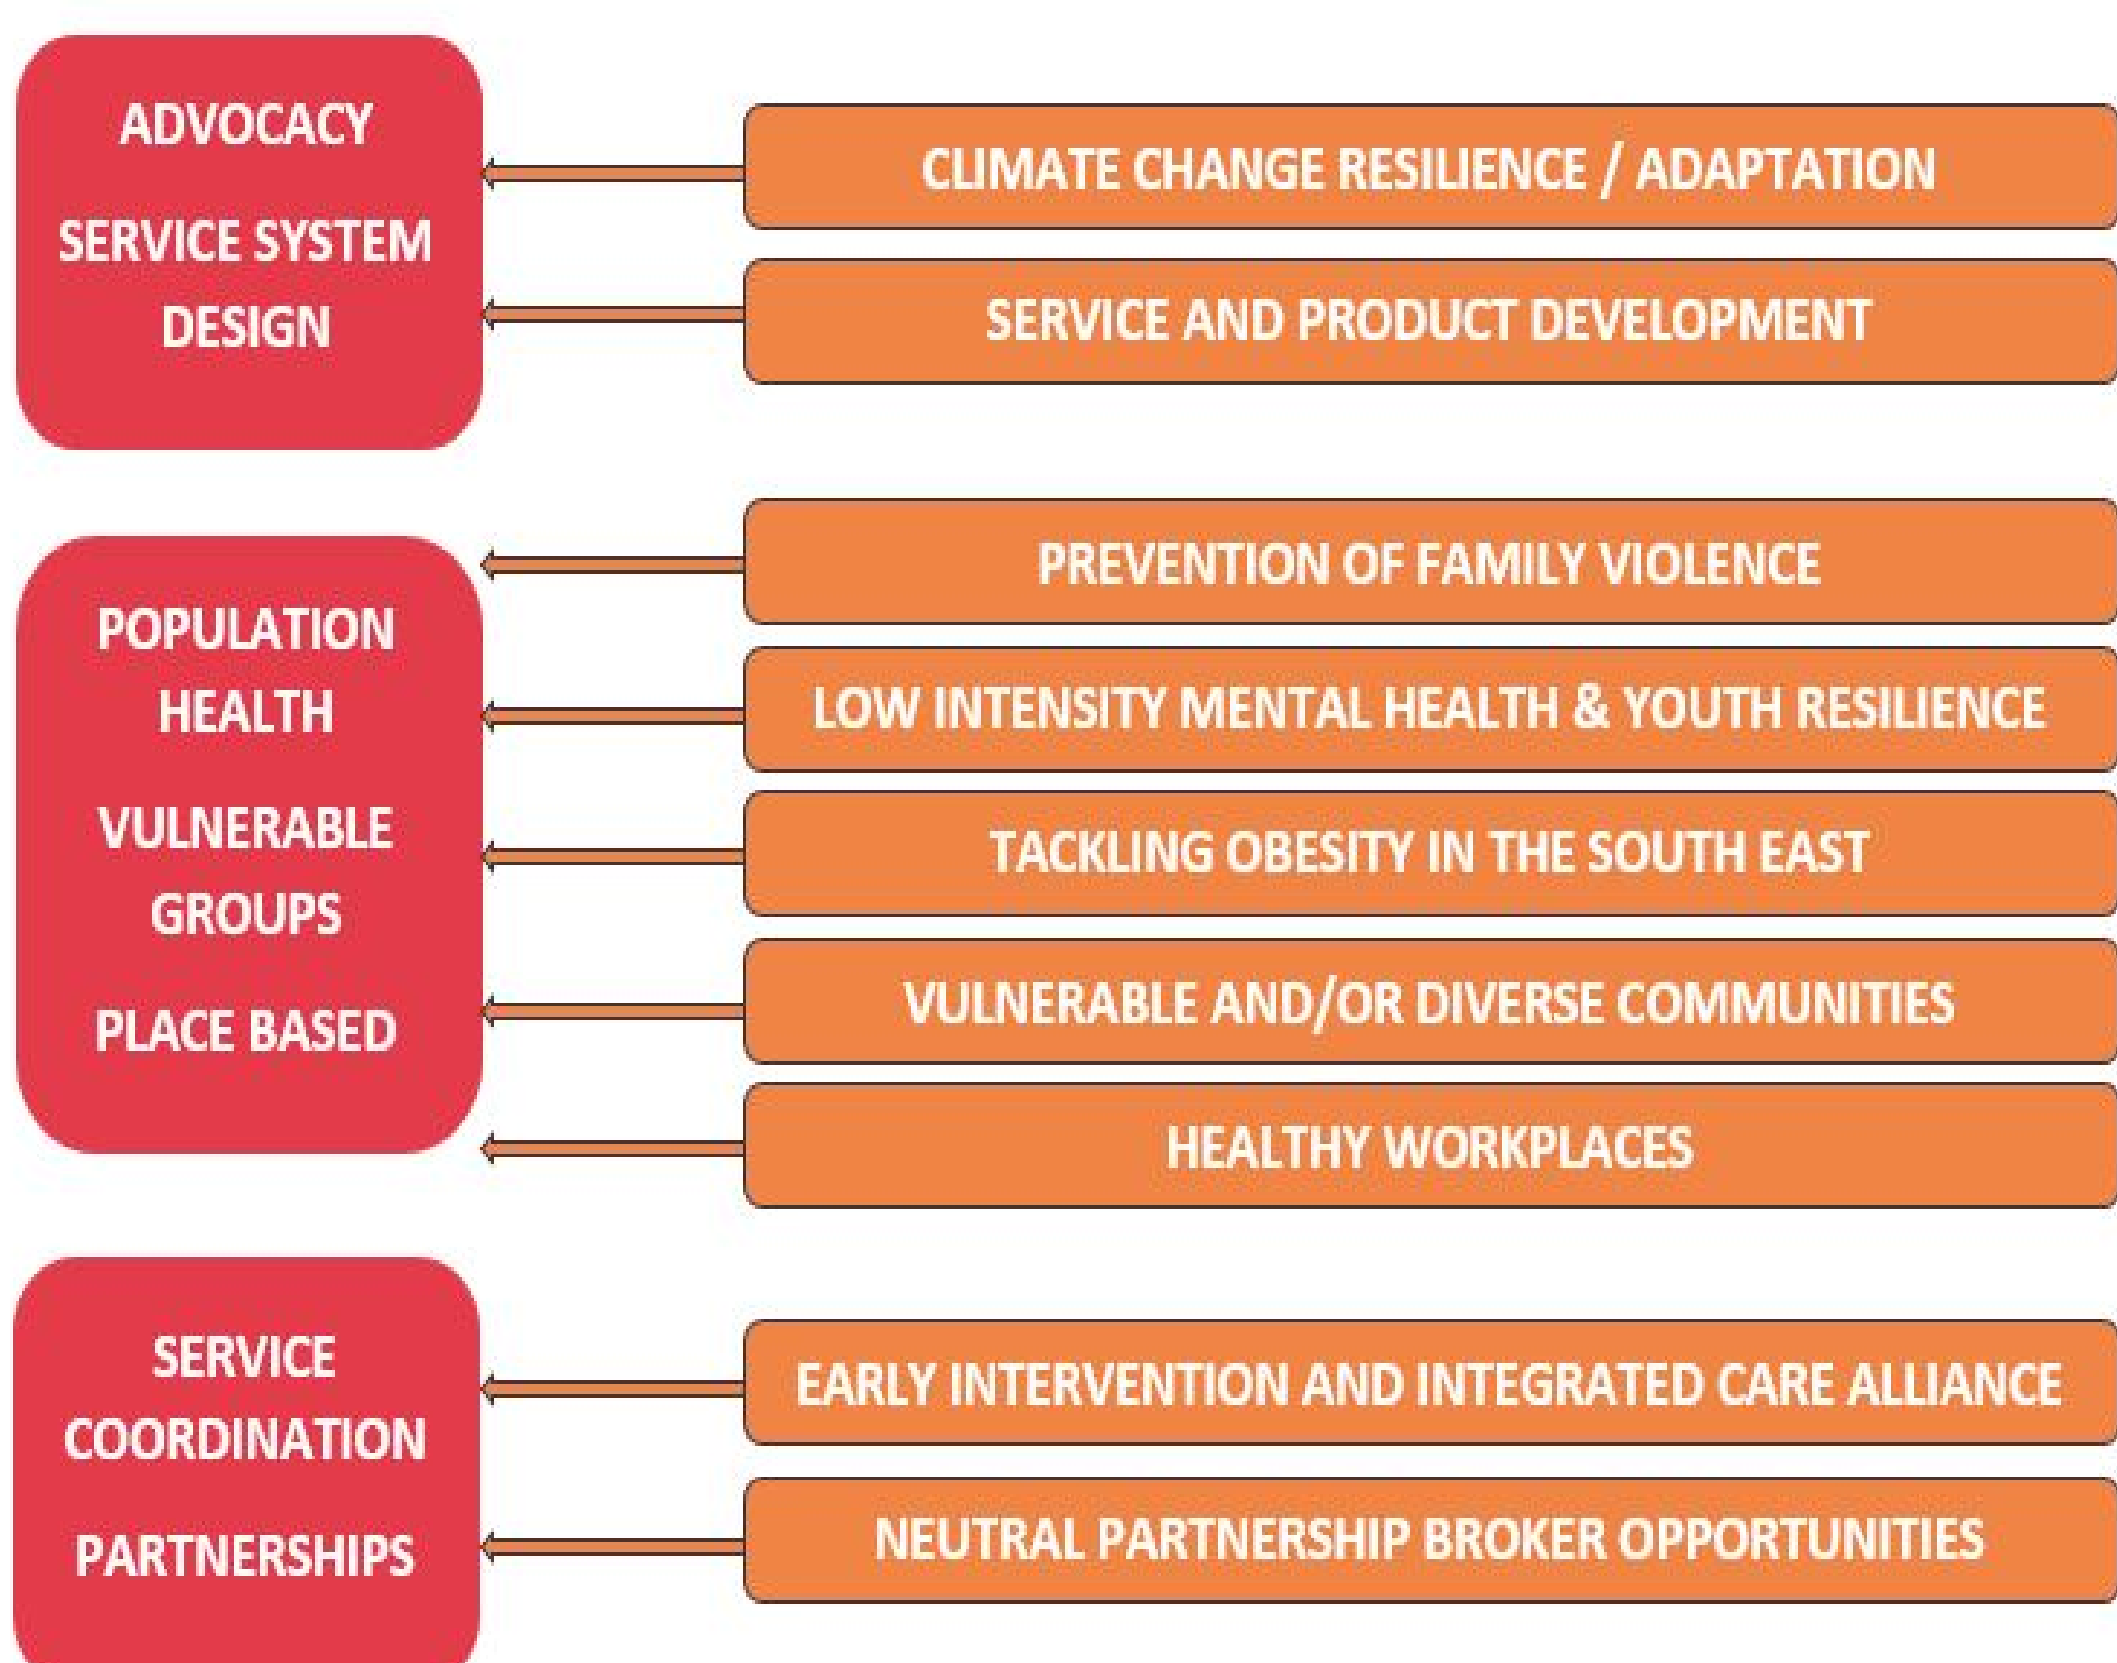

A responsive service system which has better outcomes

Capable organisations with good relationships & high level of influence

STRATEGIC PRIORITIES 2017 - 2021

enliven leads and participates in a number of co-design initiatives across City of Greater Dandenong, City of Casey and Cardinia Shire.

PCP funding alongside philanthropic and/or grant funding have provided opportunities for enliven to partner with relevant organisations to ensure a collective impact, the effective use of resources and the increased likelihood for sustainable outcomes across the 2017-2021 strategic priorities.

enliven actively seeks and welcomes opportunities to add value to its member base with the ultimate goal of improving the health and wellbeing of the community. Community co-design principles and health literacy continue to underpin the work of enliven.

SELECTED ACHIEVEMENTS 2017-2018

Communications

To improve communication with our members and stakeholders **enliven**:

- launched our new website
- launched our twitter account
- implemented an online annual report
- upgraded our weekly updates and quarterly newsletter which are distributed to an audience of 200 subscribers

Health literacy services

In 2018, **enliven** launched its Health Literacy Services aimed at assisting organisations to ensure their services are easy to find, environments are simple to navigate, and materials are clear to understand. These services include:

Developing easy English material

Training and professional development

Establishing health literate environments

Community strengthening

enliven's Afghan and Tamil Community Strengthening projects were completed and evaluated after a 2 year period. These projects involved the co-design of health related messages, delivered by community volunteers to improve understanding of health, mental health and the means of accessing local health care services.

65 sessions delivered reaching 966 community members

enliven volunteers have received numerous awards for their valuable contribution to their communities

Radio interviews and newspaper articles/interviews have further promoted the work of our volunteers

Fostered social connection and relationship building between and within the two communities

Sustainability: **enliven** has negotiated the placement of **enliven** trained volunteers within organisations that work directly with Afghan and Tamil communities

Strengthening Seniors Inclusion and Participation

The SSIP leadership group were instrumental in identifying local projects to aid in reducing social isolation and promote healthy ageing in Dandenong

- Homework Club
- Robotics Class
- Technology for all
- Liaison with Oasis Sports and Aquatic Centre
- Liaison with Legacy

Tackling obesity in the south east

enliven's South East Prevention Leadership Group are excited to announce a confirmed commitment and co-contribution to proceed to Phase 2 of this exciting collective impact initiative. Watch this space!

Promoting bicultural work in the south east

In partnership with Department of Health and Human Services, Monash Health, Red Cross and SECL, **enliven** ran a forum with over 50 bicultural workers and volunteers from across our region. Recommendations and resources to assist organisations to more effectively recruit, work with and retain bicultural workers were developed and provided to managers and representatives from local organisations to further explore how these organisations can make quality improvements.
